CLASS ACTION

**ORDER GRANTING MOTION FOR
PRELIMINARY APPROVAL OF CLASS
ACTION SETTLEMENT**

THIS MATTER HAVING come before this Court for an Order preliminarily approving a settlement between Plaintiff Jose De Jesus Villa-Cardenas, individually and on behalf of the Class, and Defendant DACM INC dba Del Amo Motorsports of Orange (“DEL AMO”) and this Court having reviewed the Settlement Agreement and attachments thereto, executed by the parties, and submitted to the Court with the Motion for Preliminary Approval of Class Action Settlement, and the papers, including the supplemental papers, filed in support thereof,

HEREBY ORDERS as follows:

1. This Order incorporates the Settlement Agreement, and the terms used in this Order shall have the meanings and/or definitions given to them in the Settlement Agreement, which is attached hereto as **Exhibit A-1** as amended by the First Amendment To Class Action Settlement Agreement And Release attached hereto as **Exhibit A-2**.

1 2. The Settlement, on the terms and conditions stated therein, is preliminarily approved by
2 this Court as being fair, reasonable and adequate, free of collusion or indicia of unfairness,
3 within the range of possible final judicial approval, and in the best interest of the Class.

4 3. For the purpose of Settlement, the Court hereby certifies the Class defined as follows:

- 5 (a) all California consumers who purchased motor vehicles from DEL AMO;
- 6 (b) for which DEL AMO arranged or assisted the consumer with financing for the
7 purchase of the motor vehicle through a lender issuing a credit card;
- 8 (c) and for which DEL AMO listed the lender issuing the credit card as the
9 “LIENHOLDER OR LEGAL OWNER” on an Application for Registration of
10 New Vehicle or “NEW LIENHOLDER” on an Application for Transfer by New
11 Owner that DEL AMO sent to the California DMV;
- 12 (d) from October 3, 2014 to October 31, 2023.

13 4. The amount to be distributed to the Class as set forth in the Settlement Agreement is
14 Seven Hundred Fifty-Four Thousand and Five Hundred Dollars (\$754,500), to be distributed
15 based on the pro-rata amount of money the Class Member financed using open-ended financing.

16 5. A Final Approval Hearing shall be held on June 26, 2025 at 2:00 p.m. before Judge
17 Melissa R. McCormick in Department CX104 of the Superior Court of the State of California,
18 County of Orange, located at 751 W. Santa Ana Blvd., Santa Ana, CA 92701, to consider: (i)
19 final approval of the Settlement; (ii) Class Counsel’s application for payment of fees and costs,
20 not to exceed Five Hundred Ten Thousand Dollars (\$510,000); (iii) approval of the distribution
21 of residual funds; (iv) the Service Award to Plaintiff of an amount not to exceed Three Thousand
22 Five Hundred (\$3,500); and (iv) such other matters as this Court may deem proper and
23 necessary. The Service Award and attorneys’ fees and costs, pursuant to the Settlement
24 Agreement, are to be paid separately by Defendant and not from the settlement fund.

25 6. Any Class Member may object (“Objector”) to the fairness, reasonableness, or adequacy
26 of the Settlement (“Objections”). Class Members may appear at the hearing to object without
27 having provided prior written notice of an objection. However, any Objector who wishes to make
28 a written Objection may mail their Objection to the Class Administrator as set forth in the

1 Settlement Agreement and Settlement Notice.

2 7. The Settlement Notice attached hereto as **Exhibits B-1 and B-2** in English and Spanish,
3 respectively, is hereby approved for the purpose of notifying the Class as to the proposed
4 Settlement, the Final Approval Hearing, and the rights of Class Members.

5 8. The Settlement Notice in both English and Spanish shall be sent to the respective
6 members of the Class via first class postage pre-paid U.S. Mail on or before 30 days after the
7 issuance of this Order of Preliminary Approval.

8 9. Sixteen (16) court days prior to the Final Approval Hearing, the Class Administrator shall
9 provide a declaration to the Court, with a copy to Class Counsel and Defendant's Counsel,
10 (i) informing the Court of Class Members who objected to the Settlement and or/plan on
11 attending the Final Approval Hearing, along with a copy of the objection to the settlement and/or
12 plan to attend and (ii) attesting to the measures undertaken to provide the Settlement Notice to
13 the Class Members.

14 10. The Settlement Notice is the best notice practicable, and is reasonably calculated, under
15 the circumstances, to apprise the Class of the Settlement of the Action and their right to object to
16 the Settlement. This Court further finds that the Settlement Notice provides sufficient notice of
17 the Final Approval Hearing, the Settlement, the application for attorneys' fees and costs, the
18 service award, and other matters set forth therein, and that the Settlement Notice satisfies the
19 California Rules of Court and due process of law, as to all persons entitled thereto.

20 11. Kemnitzer, Barron & Krieg, LLP is hereby preliminarily appointed as Class Counsel.

21 12. Jose De Jesus Villa-Cardenas is preliminarily appointed Class Representative.

22 13. RG/2 Claims Administration LLC is appointed as Class Administrator.

23 14. All discovery and other pretrial proceedings in this action are stayed and suspended until
24 further order of this Court, except such actions as may be necessary to implement the Settlement
25 Agreement and this Order.

26 15. For the benefit of the Class and to protect this Court's jurisdiction, this Court retains
27 jurisdiction pursuant to Civil Procedure Code section 664.6 over the Settlement proceedings to
28 ensure the effectuation thereof in accordance with the Settlement preliminarily approved herein

1 and the related orders of this Court.

2 16. The Parties and the Settlement Administrator are ordered to carry out their obligations

EXHIBIT A-1

CLASS ACTION SETTLEMENT AGREEMENT AND RELEASE

Plaintiff JOSE DE JESUS VILLA-CARDENAS (“Plaintiff” or “Class Representative”), on behalf of himself and all others similarly situated, and Defendant DACM, INC. dba DEL AMO MOTORSPORTS OF ORANGE (“DACM, Inc.” or “Defendant”), hereby enter into this Settlement Agreement and Release (“Settlement Agreement”), subject to the approval of the Court. The Parties, in consideration of the mutual promises, agreements, and covenants contained herein, the sufficiency and receipt of which are hereby acknowledged, stipulate and agree as follows:

I. RECITALS

WHEREAS, on October 3, 2018, prior Plaintiff Joseph Mejia filed his original class action Complaint in this matter in the Orange County Superior Court, captioned *Joseph Mejia v. DACM INC dba Del Amo Motorsports of Orange*, Case No. 30-2018-01023401-CU-BT-CXC, alleging that Defendant engaged in conduct which violated one or more provisions of the Rees-Levering Motor Vehicle Sales Finance Act, and asserting causes of action for alleged violations of the Rees-Levering Motor Vehicle Sales Finance Act, Civil Code § 2981, *et seq.*, the California Consumers Legal Remedies Act, Civil Code §1750, *et seq.*, and Business and Professions Code §17200, *et seq.*;

WHEREAS, thereafter, on April 11, 2022, Plaintiff JOSE DE JESUS VILLA-CARDENAS substituted in as Plaintiff;

WHEREAS, on September 12, 2023, Plaintiff filed the Operative Complaint;

WHEREAS, Plaintiff and DACM, Inc. recognize that the outcome of the Action is uncertain, and that pursuing the Action to judgment would entail significant cost, risk, and delay;

WHEREAS, the Parties have explored and discussed at length the factual and legal issues in the Action and have participated in mediation sessions with Hon. Alexander Williams III (Ret.) of ADR Services, Inc. The Parties extensively negotiated resolution for the class thereafter, including following significant motion practice, eventually arriving at a resolution for the putative class. Thereafter, the Parties mediated the remaining settlement issues with Michael Ranahan of JAMS. With assistance of Mr. Ranahan, the Parties negotiated an agreement to

resolve Plaintiff's claim for attorneys' fees and costs, and all other terms necessary for a global settlement of the Action, subject to Court approval;

WHEREAS, the Parties desire to compromise and settle all issues, claims, and/or facts asserted in the Action or that could have been reasonably asserted based upon the facts alleged in the Action by Plaintiff on his own behalf and on behalf of members of the putative Class, including all claims addressed in Plaintiff's Operative Complaint;

WHEREAS, Plaintiff, by and through Class Counsel, has: (a) made a thorough investigation of the facts and circumstances surrounding the allegations asserted in the Action; (b) engaged in investigation and discovery of the claims asserted in the Action, and (c) evaluated and considered the law applicable to the claims asserted in the Action, including the defenses that DACM, Inc. likely would assert;

WHEREAS, DACM, Inc., by and through its counsel, has denied and continues to deny any and all claims alleged by Plaintiff, and has denied and continues to deny that its past or current conduct violates any law or that it is legally liable to Plaintiff or any member of the Class for any of the matters asserted in this Action, but has concluded that settlement is desirable to avoid the time, expense, and inherent uncertainties of defending protracted litigation and to resolve, finally and completely, all pending and potential claims of Plaintiff and all members of the Class relating to claims which were or could have been asserted by Plaintiff and the Class in this Action relating to the alleged conduct at issue.

WHEREAS, Plaintiff's counsel are experienced in this type of class litigation, recognize the costs and risks of prosecution of this Action, and believe that it is in Plaintiff's interest, and the interest of all Class Members, to resolve this Action, and any and all claims against DACM, Inc. arising from the conduct alleged in the Action, and that the proposed settlement is fair, adequate, and reasonable, and provides significant benefits and is in the best interests of the Class;

WHEREAS, significant arm's length settlement negotiations have taken place between the Parties and, as a result, this Settlement Agreement has been reached in good faith by all

parties, without collusion, and subject to the Court approval process set forth herein;

NOW, THEREFORE, it is hereby stipulated and agreed, by and between the undersigned Parties, as follows:

3.4. Compliance With Rules of Court. The Parties acknowledge that Court approval of Settlement shall be undertaken in accordance with Rule 3.769 of the California Rules of Court.

IV. SETTLEMENT FUNDS

4.1. The Parties agree that the total settlement amounts are set forth in 4.1.a-c. below as full and final monetary consideration for resolution of the Action (the "Settlement Funds"). The Settlement Funds shall be deposited with the Class Administrator within 21 days after the

Effective Date, and shall be distributed as follows, subject to the approval and direction of the Court:

- a. Settlement Benefit: Seven Hundred Fifty-Four Thousand and Five Hundred Dollars (\$754,500) shall be distributed to Class Members (the "Settlement Benefit"). The amount paid to each Class Member shall be calculated based on the pro-rata amount of money the Class Member financed using open-end financing, and payment shall be made in the form of a check that must be cashed within one hundred eighty (180) days from the date of issuance, as stated on the face of the check.
- b. Attorneys' Fees and Costs: DACM will not oppose a request not to exceed Five Hundred Ten Thousand Dollars (\$510,000) in total for attorneys' fees and inclusive of reasonable litigation expenses/costs to Class Counsel. Class counsel will not seek more than Five Hundred Ten Thousand Dollars (\$510,000) in total for attorneys' fees and inclusive of reasonable litigation expenses/costs. Five Hundred Ten Thousand Dollars (\$510,000) shall be paid to Class Counsel as attorneys' fees and costs, and distribution among Class Counsel shall be based upon their mutual agreement. DACM shall pay the attorneys' fees and litigation expenses awarded by the Court to Class Counsel, so long as they are consistent with the terms set forth herein and do not exceed \$510,000. Such attorneys' fees and litigation expenses shall be paid in the amount approved by the Court within 21 days of the later of: (a) the Effective Date; (b) the date the Court enters its order awarding such attorneys' fees and litigation expenses; or (c) the date on which Class Counsel provides DACM with all information and documentation reasonably necessary for DACM to process the payment, including but not limited to wire or other payment instructions, tax identification number(s), and completed Form(s) W-9.
- c. Service Award: The sum of Three Thousand Five Hundred (\$3,500) (or such other amount as may be determined by the Court to be fair and reasonable) shall be paid to plaintiff and class representative Jose de Jesus Villa-Cardenas as the Service Award.

- d. No Reversion; Unclaimed Property: Defendant will receive no reversion from the Settlement Benefit. The proceeds of any uncashed checks after 180 days following the issuance of settlement checks will be sent in the corresponding Settlement Class Member's name to the California State Controller's Office's Unclaimed Property Fund. The Settlement Administrator will be responsible for submitting the necessary paperwork to the California State Controller's Office - Unclaimed Property Fund. Settlement Administrator will continue to hold these unclaimed funds until such time it is required to transfer said funds to the State Controller's Office.

V. NO ADMISSION OF LIABILITY OR FAULT

5.1. This Settlement Agreement is not to be used in evidence or for any other purpose in any other proceeding, and shall not at any time be construed or deemed to be any admission or concession by DACM, Inc. with respect to any alleged liability, fault, omission or wrongdoing of any kind whatsoever, regardless of whether or not this Settlement Agreement results in entry of a Final Approval Order and Judgment as contemplated herein. DACM, Inc. specifically denies the allegations of wrongdoing made in connection with the Action, and denies that its alleged conduct violated any State or Federal law. DACM maintains that it has meritorious defenses to all claims alleged in the Action and enters into this Agreement subject to and without waiving any personal jurisdiction defenses asserted in the Action. Neither the Settlement nor any of the terms of this Agreement shall constitute an admission or finding of any fault, liability, wrongdoing, or damage whatsoever or any infirmity in the defenses that DACM has, or could

have, asserted. DACM is entering into this Agreement solely to eliminate the burden and expense of further litigation. DACM has determined that it is desirable and beneficial to them that the Action be settled in the manner and upon the terms and conditions set forth in this Agreement. This provision shall survive the expiration or voiding of the Settlement Agreement.

VI. OBLIGATION OF CLASS ADMINISTRATOR

6.1. DACM, Inc. shall retain the Class Administrator and shall pay for the costs and expenses of the Class Administrator. The Class Administrator shall be responsible for all of the following:

- a. Preparing, printing, and disseminating to the Class Members the Settlement Notice and otherwise administering the settlement;
- b. Keeping track of opt-outs and objections to the Settlement, including maintaining the original mailing envelope in which they were mailed, and within seven (7) business days after the close of the Objection Date, informing Class Counsel and DACM, Inc.'s Counsel in writing of the total number of such opt-outs and objections received in response to the Settlement Notice and forwarding information about all opt-outs and all objections and, supporting papers to Class Counsel and Defendant's Counsel;
- c. Holding settlement funds and preparing and mailing checks in accordance with this Agreement and direction of the Court;
- d. Ascertaining the current address, telephone number, and addressee information for each Class Member prior to disseminating the Settlement Notice in the manner and under the circumstances described in Article VII;
- e. Remitting unclaimed funds to the State Controller's Unclaimed Property Fund and performing all reporting duties associated therewith;
- f. Performing any tax reporting duties required by federal, state, or local law;

Class Notices, returned mail, and other communications and attempted written or electronic communications with the Class;

- i. Confirming in writing its completion of the administration of the settlement;
- j. Preparing a final report summarizing the objections and disputes filed;
- k. Settlement Website. No later than ten (10) Business Days after entry of the Preliminary Approval Order, the Settlement Administrator will create and operate a publicly accessible website solely for the purposes of providing notice to the Settlement Class. The settlement website will contain a copy of the Notice in English and Spanish, Frequently Asked Questions regarding the Settlement Agreement and approval process, the Complaint, the Preliminary Approval Order, and other documents agreed upon by the Parties. The Parties will jointly provide the Settlement Administrator with the content required for the settlement website. Additionally, any change of the date, time, or location of the Final Approval Hearing will be posted on the website.
- l. Sixteen (16) court days prior to the Final Approval Hearing, filing a declaration with the Court informing the Court of Class Members who objected to the Settlement and/or plan on attending the Final Approval Hearing, along with a copy of the objection to the settlement, and/or plan to attend and attesting to the measures undertaken to provide the Settlement Notice to the Settlement Class Members; and
- m. Such other tasks as the Class Counsel and DACM, Inc.'s Counsel mutually agree, or as required by the Court.

VII. NOTICE OF SETTLEMENT

7.1. Initial Mailing. Within thirty (30) days after the Court's entry of the Preliminary Approval Order, or on such other time as may be directed by the Court, the Class Administrator shall mail the Settlement Notice by first class mail to Class Members via a single mailing (rather than on a rolling basis).

7.2. Re-Mailing if Postal Service Provides Additional Address Information. If any Settlement Notices are returned to the Class Administrator within thirty (30) days following the

initial date of mailing the Settlement Notice, they will be re-mailed within five (5) days of receipt if additional address information is provided by the Postal Service.

7.3. Re-Mailing if Postal Service Does Not Provide Additional Address Information.

If any Settlement Notice comes back undeliverable within thirty (30) days following the initial date of mailing the Class Notice, and no additional address information is provided by the Postal Service, the Class Administrator shall run the Class Member's name, last known address, and social security number, if available, through the LexisNexis best address search and, within five (5) days, re-mail the notice if an updated address can be found. If the LexisNexis search does not show an updated address for the Class Member, the Settlement Notice will not be re-mailed. Settlement Notices that are returned as undeliverable following the LexisNexis search will not be re-mailed again.

VIII. OPT OUT AND OBJECTIONS BY CLASS MEMBERS

8.1. The Parties will also request that the Court enter a Preliminary Approval Order requiring any Class Member who wishes to exclude ("opt out") him or herself from this class action and from this Settlement to submit a written request to the Class Administrator, including full name and address, the name of the lawsuit captioned *Jose De Jesus Villa-Cardenas v. DACM Inc. dba Del Amo Motorsports of Orange*, Case No. 30-2018-01023401-CU-BT-CXC and request to be excluded from the Class in this Action. Said request for exclusion shall be made within sixty (60) days from the date of the mailing of the Settlement Notice, or as otherwise ordered by the Court.

8.2. The Parties will also request that the Court enter a Preliminary Approval Order requiring any Class Member who wishes to be heard orally at the Final Approval Hearing, or who wishes any objection to be considered, to provide to the Class Administrator a written objection, by the Objection Date. To state a valid objection to the Settlement, an objecting Class Member must provide to the Class Administrator the following information in his or her written objection: (i) the name of the lawsuit, captioned *Jose De Jesus Villa-Cardenas v. DACM Inc. dba Del Amo Motorsports of Orange*, Case No. 30-2018-01023401-CU-BT-CXC; (ii) full name,

current address, and current telephone number; (iii) a statement of the position(s) the objector wishes to assert, including the factual and legal grounds for the position; (iv) provide copies of any other documents that the objector wishes to submit in support of his/her position; and (v) the objector's signature and the date of the signature. The Class Member shall also state in the objection whether the Class Member intends to attend the Final Approval Hearing. Within seven (7) business days after the close of the Objection Date, the Class Administrator shall provide a copy of all objections and supporting papers to Class Counsel and Defendant's Counsel, and Class Administrator shall file any objections and supporting papers with the Court no later than sixteen (16) days prior to the Final Approval Hearing.

8.3. Subject to approval of the Court, any objecting Class Member may appear, in person or by counsel, at the Final Approval Hearing held by the Court, to (a) show cause why the proposed Settlement should not be approved as fair, adequate, and reasonable, or (b) object to any petitions for attorneys' fees, reimbursement of reasonable litigation costs and expenses, and Service Award.

8.4. The agreed-upon procedures and requirements for filing objections in connection with the Final Approval Hearing are intended to ensure the efficient administration of justice and the orderly presentation of any Class Member's objection to the Settlement Agreement, in accordance with the due process rights of all Class Members.

IX. FINAL APPROVAL

9.1. The Parties shall request a date for the Final Approval Hearing at the time of the hearing for Preliminary Approval. At least sixteen (16) court days before the Final Approval Hearing, Class Counsel shall file a motion for final approval of the Settlement, for an award of attorneys' fees and costs, and for a Service Award to the Class Representative. The motion will request the Court grant Final Approval of the Settlement and to enter a final judgment in accordance with this Agreement, including approving this Agreement as final, fair, reasonable, adequate, and binding on the Class, awarding attorneys' fees and costs to be paid to Class Counsel, Service Award, and approving the plan for distribution of Residual funds, if any, to the

State Controller's Unclaimed Property Fund. To the extent it is to be filed as an unopposed motion, it will be sent to Defendant's Counsel for approval within five (5) business days of filing for review and consent.

9.2. DACM may, at its discretion, withdraw or terminate the Settlement Agreement prior to the Final Approval Hearing if more than two percent (2 %) of Class Members submit valid and timely Requests for Exclusion. DACM shall have five (5) business days following the delivery by the Settlement Administrator to Defense Counsel and Class Counsel a complete report listing all valid Requests for Exclusion to exercise this option. If DACM exercises this option and withdraws from the Settlement Agreement in accordance with the terms of this paragraph, the Settlement Agreement shall become null and void and of no further force and effect, and the Parties will be restored to their positions prior to their execution of the Settlement Agreement. In the event exercises this option, DACM will remain responsible for the Settlement Administrator's expenses incurred.

X. CLASS DATA

10.1. After diligent investigation of its records, DACM, Inc. affirms that there are 3,237 members of the Class, whose total amount of money financed using open-ended financing was \$26,344,277.

XI. DISTRIBUTION OF SETTLEMENT FUNDS TO CLASS MEMBERS

11.1. Records Search. DACM, Inc. shall determine by diligent investigation from its records, for each Class Member, the last known addresses of each Class Member and the amount of money the Class Member financed using open-ended financing. DACM, Inc. shall transmit this information to the Class Administrator, which shall be maintained in confidence.

11.2. Settlement Benefit Transfer. Ten (10) business days after the Effective Date of Settlement Benefits, DACM, Inc. agrees that it or its representative shall electronically transfer to an account held by the Class Administrator the full amount of the Settlement Benefit as set forth in Section 4.1.a.

11.3. Settlement Benefit Distribution. On the Distribution Date, Class Administrator shall issue settlement checks to Class members on a pro-rata basis based on the amount of money the Class Member financed to purchase a motor vehicle from DACM, Inc. using open-ended credit financing arranged by DACM, Inc. (the "Class Member Payment"). The Class Member Payment checks shall become stale one hundred eighty (180) days following issuance. Settlement checks will not be mailed to Class Members where the Settlement Notice was returned as undeliverable. Instead, those Class Members can claim their portion of their Settlement Benefit prior to the expiration of the requisite waiting period after the check-cashing deadline by contacting the Settlement Administrator. Once that deadline has expired, those Class Members can obtain their portion of their Settlement Benefit in the form of unclaimed funds through the Uncashed Settlement Checks procedure outlined in section 11.4.

11.4. Uncashed Settlement Checks And Class Members With Undeliverable Settlement Notices. The funds from the uncashed checks and for Class Members who were not sent a check because their Settlement Notice was returned as undeliverable shall be distributed by the Settlement Administrator to the State Controller's Unclaimed Property Fund. No later than ten (10) calendar days after the requisite waiting period after the check-cashing deadline, the Settlement Administrator shall deposit the total amounts contained in the settlement checks, and all interest that has accrued, to the State Controller's Unclaimed Property Fund. The Settlement Administrator shall provide a declaration of deposit with the State Controller's Unclaimed Property Fund, which will be served on the Parties' counsel within ten (10) calendar days of payment of the residual.

11.5. Dispute Resolution. Any disputes regarding payments to the Class, such as a dispute about a payment amount or the proper recipient of a Class Member Payment, will be resolved in the following manner: (1) Class Counsel and Defendant's Counsel will first meet and confer in a good faith attempt to resolve the dispute. (2) In the event the dispute cannot be resolved informally between Class Counsel and Defendant's Counsel, the Parties will submit the dispute to the Court for a binding determination.

XII. TAX TREATMENT

12.1. The Parties make no representations as to the tax treatment or legal effect of the payments called for or amounts required to be reported hereunder.

XIII. RELEASE AND JURISDICTION OF COURT

13.1. Release by Class Members: All Class Members hereby release any and all claims, liens, demands, actions, and causes of action of any nature that they have, had or may have against Defendant and Released Parties, arising out of the allegations of the Action, and hereby expressly waive and relinquish any and all claims they may have arising out of the allegations of the Action.

13.2. Releases by Class Representative. The Class Representative hereby releases any and all claims, liens, demands, actions, and causes of action of any nature which he has, had, or may have against Defendant and Released Parties. This release is intended to be a general one covering all existing claims or demands of any nature whatsoever. The Parties expressly understand and acknowledge that it is possible that unknown losses or claims exist or that present losses may have been underestimated in amount or severity. The Parties explicitly took that possibility into account in entering into this Agreement. A portion of the consideration has been bargained for between the Parties to this Agreement with the knowledge of the possibility of such unknown losses or claims and was given in exchange for a full accord, satisfaction, and discharge of all such losses or claims.

13.3. Plaintiff and the Class Members recognize that, even if they later discover facts in addition to or different from those which they now know or believe to be true, they nevertheless agree that, upon entry of the Final Approval Order and accompanying Judgment, Plaintiff and the Class Members fully, finally, and forever settle and release any and all of the Released Claims. The Parties acknowledge that the foregoing waiver and release was bargained for and is a material element of the Settlement Agreement.

13.4. Upon issuance of the Final Approval Order: (i) the Settlement Agreement shall be the exclusive remedy for any and all Class Members; (ii) DACM, Inc. and Released Parties shall

not be subject to liability or expense of any kind to any Class Member(s) for reasons related to the Action except as set forth herein; and (iii) Class Members shall be permanently barred from initiating, asserting, or prosecuting any and all of the Released Claims against Defendant and Released Parties.

13.5. Without affecting the finality of the Final Approval Order or Final Judgment in any way, the Court shall retain jurisdiction over:

- a. any other action necessary to implement the terms of the Final Approval Order and/or this Agreement; and
- b. the construction, interpretation, implementation, and enforcement of the Final Approval Order, until each and every act agreed to be performed by the parties there under has in fact been fully performed.

XIV. ADMINISTRATION, ATTORNEYS' FEES, AND SERVICE AWARDS

14.1. All expenses incurred in administering this Settlement Agreement, including, without limitation, the cost of the Class Notice, and the cost of distributing and administering the benefits of the Settlement Agreement, shall be paid as described herein, subject to approval of the Court.

14.2. Subject to approval by the Court and pursuant to Section 6.1, DACM, Inc. shall retain the Class Administrator and shall pay for the costs and expenses of the Class Administrator.

14.3. Subject to approval by the Court, the Parties agree that Class Counsel may request that Class Counsel be paid attorneys' fees and costs awarded by the Court up to an amount that does not exceed Five Hundred Ten Thousand Dollars (\$510,000). Class Counsel agrees that they shall not be entitled to and will not seek – either from DACM, Inc. or from any other party, person, or entity – attorneys' fees and costs or other compensation for attorneys' services and expenses in the Action exceeding the amount stated above, subject to Court approval. Class Counsel agrees that such an award shall compensate them for all legal work in the Action up to and including the date of the Final Judgment, as well as for all legal work and costs that may be

incurred in the Action after the date of the Final Judgment. A single check payable to “Kemnitzer, Barron & Krieg LLP”, for such fees and costs as approved by the Court, will be issued within twenty-one (21) days after the Effective Date, provided required documentation, such as W-9 forms and payment instructions, are timely provided by Class Counsel.

14.4. The Parties agree that Class Counsel may apply to the Court for the payment of a Service Award to the Class Representative Jose De Jesus Villa-Cardenas that does not exceed Three Thousand Five Hundred Dollars (\$3,500). The Service Award shall be made in the form of a check to the Class Representative, and delivered to Class Counsel within twenty-one (21) days after the Effective Date, provided required documentation, such as W-9 forms and payment instructions, are timely provided by Class Counsel.

XV. REPRESENTATIONS, WARRANTIES, AND COVENANTS

15.1. Class Representative Jose De Jesus Villa-Cardenas and Class Counsel, who are signatories hereto, represent and warrant that they have the authority, on behalf of Plaintiff and the Class, to execute, deliver, and perform this Settlement Agreement and to consummate all of the transactions contemplated hereby. This Settlement Agreement has been duly and validly executed and delivered by Class Counsel and Plaintiff and constitutes their legal, valid, and binding obligation.

15.2. DACM, Inc. represents, and warrants that it has the authority to execute, deliver, and perform this Settlement Agreement and to consummate the transactions contemplated hereby. The execution, delivery, and performance by DACM, Inc. of this Settlement Agreement and the consummation by it of the actions contemplated hereby have been duly authorized by all necessary corporate action on the part of DACM, Inc. This Settlement Agreement has been duly and validly executed and delivered by DACM, Inc. and constitutes its legal, valid, and binding obligation.

XVI. MISCELLANEOUS PROVISIONS

16.1. Each Party is Represented by Counsel. The Parties acknowledge to each other that each has been advised and is represented by legal counsel of their own choice throughout all

of the negotiations which preceded the execution of this Settlement Agreement and that they have executed this Settlement Agreement after being so advised and without reliance upon any promise or representation of any person or persons acting for or on behalf of the other, except as expressly set forth in this Agreement. The Parties further acknowledge that they and their counsel have had an adequate opportunity to make whatever investigation or inquiry they may deem necessary or desirable in connection with the subject matter of this Agreement prior to the execution of this Agreement. Each Party has read and approved the language of this Agreement, with the assistance of counsel.

16.2. Entire Agreement/Construction and Interpretation. This Settlement Agreement is entered into only for purposes of Settlement. In the event that the Final Approval Order is not entered or a Final Approval Order is subsequently reversed by an appeal, the Parties agree to use their best efforts to cure any defect(s) identified by the Court. If, despite their best efforts, the Parties cannot cure said defects, this Settlement Agreement, including any releases or dismissals hereunder, is canceled, and no term or condition of this Settlement Agreement, or any draft thereof, or of the discussion, negotiation, documentation or other part or aspect of the Parties' settlement discussions, shall have any effect, nor shall any such matter be admissible in evidence for any purpose, or used for any purposes whatsoever in the Action or any other proceeding. Parties shall be restored to their prior rights and positions as if the Settlement Agreement had not been entered into.

16.3. Headings and Sections. The headings of the sections and paragraphs of this Settlement Agreement are included for convenience only and shall not be deemed to constitute part of this Settlement Agreement or to affect its construction.

16.4. Modification Only In Writing. This Settlement Agreement may not be modified or amended except in writing and signed by all of the Parties. This Settlement Agreement constitutes the entire, fully integrated agreement among the Parties and cancels and supersedes all prior written and unwritten agreements and understandings pertaining to the Settlement of the Action.

16.5. Counterpart Originals. This Settlement Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument.

16.6. Parties to Bear Costs. Except as otherwise provided in this Settlement Agreement, each party to this Settlement Agreement shall bear his, her, or its own costs of the Action.

16.7. Reasonable Extensions of Time. The Parties to this Settlement Agreement reserve the right, by agreement and subject to the Court's approval, to grant any reasonable extensions of time that might be necessary to carry out any of the provisions of this Settlement Agreement, as well as to correct any inadvertent, non-substantive mistakes or typographical errors contained in any of the Settlement papers.

16.8. Communications Regarding Settlement. The Parties agree that any communications by the Parties regarding this Settlement will be consistent with the Settlement Agreement, Preliminary Approval Order, Class Notice, and Final Approval Order. Nothing in this paragraph shall limit (1) Class Counsel's ability to communicate with the Class Representative, Class Members upon Final Approval, or the Court, and (2) DACM, Inc.'s ability to communicate with its dealers, customers, or the Court.

16.9. Administration of the Settlement. The administration of the Settlement as embodied in this Settlement Agreement shall be under the authority of the Court. The Court shall retain jurisdiction to protect, preserve, and implement the Settlement Agreement, including, but not limited to, the Release, as provided herein. The Court expressly retains jurisdiction to enter such further orders as may be necessary or appropriate in administering and implementing the terms and provisions of the Settlement Agreement, including, but not limited to, orders enjoining Class Members from prosecuting claims that are released pursuant to the Settlement Agreement, ensuring compliance with the reimbursement and replacements as provided herein, and allowing for discovery related to objectors, if any.

16.10. Drafting of Settlement Agreement. The determination of the terms of, and the drafting of, this Settlement Agreement has been by mutual agreement after negotiation, with

consideration by and participation of all Parties and their counsel. Since this Settlement Agreement was drafted with the participation of all Parties and their counsel, the presumption that ambiguities shall be construed against the drafter does not apply. The Parties were represented by competent and effective counsel throughout the course of settlement negotiations and in the drafting and execution of this Settlement Agreement, and there was no disparity in bargaining power among the Parties to this Settlement Agreement.

16.11. Disputes Regarding Settlement Agreement. The Parties agree that any disputes regarding the meaning of the terms and conditions of this Settlement Agreement, the Parties' rights and obligations under this Settlement Agreement, and/or any disagreement regarding the manner in which any issue or dispute arising under this Settlement Agreement shall be submitted to the Court for resolution.

16.12. Enforcement; Attorneys' Fees. Without affecting the finality of the judgment in any way, the Court shall retain jurisdiction pursuant to Code of Civil Procedure § 664.6 over (a) any other action necessary to implement the terms of the Final Approval Order and Judgment and/or this Agreement, including any further amendments to the Final Approval Order and Judgment to provide relief to additional members of the Settlement Class who may be identified after entry of the Final Approval Order and Judgment; and (b) the construction, interpretation, implementation, and enforcement of the Final Approval Order and Judgment, until each and every act agreed to be performed by the parties there under has in fact been fully performed. The prevailing party in any action or proceeding to enforce the terms of this Agreement shall be entitled to their reasonable attorneys' fees and costs.

16.13. Governing Law. This Agreement shall be governed and interpreted under California law.

16.14. Performance of Provisions. Any failure by any of the Parties to insist upon the strict performance by any of the other Parties of any of the provisions of this agreement shall not be deemed a waiver of any provision of this agreement, and such Party, notwithstanding such

failure, shall have the right thereafter to insist upon the specific performance of any and all of the provisions herein.

16.15. Notices in Writing. All notices to the Parties or counsel required by this Settlement Agreement shall be made in writing and communicated by electronic and regular mail to the following addresses (unless one of the Parties subsequently designates one or more other designees):

EXHIBIT A-2

**FIRST AMENDMENT TO CLASS ACTION SETTLEMENT AGREEMENT AND
RELEASE**

Plaintiff JOSE DE JESUS VILLA-CARDENAS (“Plaintiff” or “Class Representative”), on behalf of himself and all others similarly situated, and Defendant DACM, INC. dba DEL AMO MOTORSPORTS OF ORANGE (“DACM, Inc.” or “Defendant”), hereby enter into this First Amendment to Settlement Agreement and Release (“Amendment”), subject to the approval of the Court, which amends the Settlement Agreement and Release (the “Settlement”) between the Parties as well as the exhibits thereto in specific sections ONLY as indicated herein. The defined terms in the Settlement shall be incorporated as though fully set forth herein, and the Settlement remains unmodified in any aspects not specifically set forth herein. The Parties, in consideration of the mutual promises, agreements, and covenants contained herein, the sufficiency and receipt of which are hereby acknowledged, stipulate and agree as follows regarding the following sections of the Settlement, which shall fully replace the sections of the Settlement as indicated:

2.24. **“Released Claims”** refers to the claims released by (1) the Class Members as set forth in Section 13.1 of this Settlement Agreement and (2) the Class Representative as set forth in Section 13.2 of this Settlement Agreement. The scope of Released Claims is different for Class Members and the Class Representative.

6.1.a. Preparing, printing, and disseminating to the Class Members the Settlement Notice in both English and Spanish (in the form of Exhibits B-1 and B-2) and otherwise administering the settlement;

6.1.k. Settlement Website. No later than ten (10) Business Days after entry of the Preliminary Approval Order, the Settlement Administrator will create and operate a publicly accessible website solely for the purposes of providing notice to the Settlement Class. The settlement website will contain a copy of the Notice in English and Spanish, Frequently Asked Questions regarding the Settlement Agreement and approval process, the Complaint, the Preliminary Approval Order, the Final Approval Order, and other documents agreed upon by the Parties. The Parties will jointly provide the Settlement Administrator with the content required for the settlement website.

Additionally, any change of the date, time, or location of the Final Approval Hearing will be posted on the website. The Final Approval Order shall remain on the website for at least 180 days following entry thereof.

8.2 The Parties will also request that the Court enter a Preliminary Approval Order that includes terms regarding objections. Any Class Member may attend the Final Approval Hearing without making a written objection; however, to make a written objection, a Class Member must send such written objection by the Objection Date. To state a written objection to the Settlement, an objecting Class Member may provide to the Class Administrator the following information in his or her written objection: (i) the name of the lawsuit, captioned *Jose De Jesus Villa-Cardenas v. DACM Inc. dba Del Amo Motorsports of Orange*, Case No. 30-2018-01023401-CU-BT-CXC; (ii) full name, current address, and current telephone number; and (iii) the objector's signature and the date of the signature. Within seven (7) business days after the close of the Objection Date, the Class Administrator shall provide a copy of all objections and supporting papers to Class Counsel and Defendant's Counsel, and Class Administrator shall file any objections and supporting papers with the Court no later than sixteen (16) days prior to the Final Approval Hearing.

10.1. After diligent investigation of DACM, Inc.'s records, there are 3,235 members of the Class, whose total amount of money financed using open-ended financing was \$ 26,343,602.87

11.1 Records Search. DACM, Inc. shall determine by diligent investigation from its records, for each Class Member, the last known addresses of each Class Member and the amount of money the Class Member financed using open-ended financing. DACM, Inc. shall transmit this information to the Class Administrator, which shall be maintained in confidence. DACM shall also transmit this information, without personally identifiable information, to Class Counsel within 10 days of execution of this Amendment. DACM, Inc. has determined from a search of its records that all Class Members received either an English or Spanish contract.

11.5 Dispute Resolution. Any disputes regarding payments to the Class, such as a dispute about a payment amount or the proper recipient of a Class Member Payment, will be resolved in the

following manner: (1) Class Counsel and Defendant's Counsel will first meet and confer in a good faith attempt to resolve the dispute. (2) In the event the dispute cannot be resolved informally between Class Counsel and Defendant's Counsel, the Parties will submit the dispute to the Court for a binding determination. Regardless, the Court may review any decision made by the Parties regarding a claim dispute.

11.6 Estimated Payments. The average estimated payment to each Class Member is \$250.66. The high amount estimated to pay to any Class Member is \$2,305.72. The low amount estimated to be paid to any Class Member is \$23.17. The amount to be paid to the Class Representative, exclusive of any Service Award, is \$511.14.

12.1. The Parties make no representations as to the tax treatment or legal effect of the payments called for or amounts required to be reported hereunder. The Parties do not believe that any payments to any Class Member requires the issuance of a 1099-MISC. As such the Class Administrator will not be issuing any 1099-MISC to any Class Member.

13.1. Release by Class Members: All Class Members hereby release any and all claims, liens, demands, actions, and causes of action of any nature that they have, had or may have against Defendant and Released Parties, that were or reasonably could have been asserted in the Action based on the facts alleged in the Operative Complaint.

13.4 Upon Defendant depositing the Settlement Funds with the Class Administrator following the Effective Date as set forth in Section 4.1: (i) the Settlement Agreement shall be the exclusive remedy for any and all Class Members; (ii) DACM, Inc. and Released Parties shall not be subject to liability or expense of any kind to any Class Member(s) for reasons related to the Action except as set forth herein; and (iii) Class Members shall be permanently barred from initiating, asserting, or prosecuting any and all of the Released Claims against Defendant and Released Parties.

16.12. Enforcement; Attorneys' Fees. Without affecting the finality of the judgment in any way, the Court shall retain jurisdiction pursuant to Code of Civil Procedure § 664.6 over (a) any other action necessary to implement the terms of the Final Approval Order and Judgment and/or this

Agreement, including any further amendments to the Final Approval Order and Judgment to provide relief to additional members of the Settlement Class who may be identified after entry of the Final Approval Order and Judgment; and (b) the construction, interpretation, implementation, and enforcement of the Final Approval Order and Judgment, until each and every act agreed to be performed by the parties there under has in fact been fully performed. The prevailing party in any action or proceeding to enforce the terms of this Agreement shall be entitled to their reasonable attorneys' fees and costs. No attorneys' fees and costs may ever be sought or awarded against a Class Member.

16.14 Notices in Writing. All notices to the Parties or counsel required by this Settlement Agreement shall be made in writing and communicated by electronic and regular mail to the following addresses (unless one of the Parties subsequently designates one or more other designees):

What Is this Lawsuit About?

This lawsuit concerns the sale of motorcycles by Defendant **DACM, Inc.** using sales forms that Plaintiff contends do not comply with California consumer protection laws. Plaintiff Jose De Jesus Villa-Cardenas claims that **DACM, Inc.** sold motorcycles pursuant to without making all disclosures required under California's Rees-Levering Automobile Sales Finance Act (Civil Code §2981 et seq., the "Rees-Levering Act"), a law that governs the sale of motor vehicles under conditional sales contracts; that **DACM, Inc.** failed to provide motorcycle buyers with all documents and financial disclosures required by the Rees-Levering Act; and that **DACM, Inc.** engaged in deceptive and unfair business because the consumers did not receive a single document with all sales terms. Plaintiff asserts causes of action under the California Consumers Legal Remedies Act, Civil Code §1750, *et seq.*, and Business and Professions Code §17200, *et seq.* Plaintiff, individually and on behalf of the Class, seeks recovery of damages and other forms of relief.

DACM, Inc. denies Plaintiff's allegations and contends that it made all disclosures that were required of it by law, and did not make any false and deceptive representations. **DACM, Inc.** contends that the Rees-Levering Act permits these third-party credit card transactions, and that **DACM, Inc.** has at all times complied with all applicable requirements of the Rees-Levering Act and California consumer protection laws. **DACM, Inc.** also contends that Plaintiff's claims are preempted by Federal Law, which regulates these transactions. **DACM, Inc.** denies Plaintiff's allegations, denies that any violations of any law occurred, and denies that Plaintiff and Class members have experienced any injury or are entitled to any form of relief.

Who Is A Class Member?

In a class action, one or more people (in this case Plaintiff Jose De Jesus Villa-Cardenas) sue and seek relief on behalf of a larger group of people who may have similar claims. Together, all these people form a Class and are called Class Members, and the Plaintiff (or Plaintiffs in some cases) acts as the Class Representative. One court will resolve the issues for all Class Members. Once the Class has been certified, the Class Representative may settle the claims of all class members, subject to approval of the settlement by the Court. However, Class Members are given the opportunity to opt out of the settlement by excluding themselves from the case, or may object to the settlement, if they so choose. Class Members who opt out of the settlement do not receive settlement benefits and are not bound by the settlement and ensuing judgment. Regardless of whether a Class Member objects or not, all participating Class Members will be bound by the

Court's final approval of the settlement and ensuing judgment.

The Court preliminarily certified this action as a class action for settlement purposes on []. Class certification means that Plaintiff may seek relief from **DACM, Inc.** on behalf of every Class member, and that he has authority to resolve all claims raised in the Action on behalf of all Class Members. The Court defined the Class as follows:

- (a) all California consumers who purchased motor vehicles from **DACM, Inc.**;
- (b) for which **DACM, Inc.** arranged or assisted the consumer with financing for the purchase of the motor vehicle through a lender issuing a credit card;
- (c) and for which **DACM, Inc.** listed the lender issuing the credit card as the "LIENHOLDER OR LEGAL OWNER" on an Application for Registration of New Vehicle or "NEW LIENHOLDER" on an Application for Transfer by New Owner that **DACM, Inc.** sent to the California DMV;
- (d) from October 3, 2014 to October 31, 2023.

You are receiving this Notice because you are a member of this Class.

Why Is There a Settlement?

The Court has not decided who is right or wrong in this lawsuit. There has been no trial. Nevertheless, the parties are willing to enter into a settlement to end the lawsuit. This way, the parties can avoid the cost of a trial, and the Class Members can obtain relief. The settlement is a compromise and is not an admission by **DACM, Inc.** of any fault, wrongdoing, or liability. The settlement must be approved by the Court in order for Class Members to receive the benefits described below. If the settlement is not approved by the Court, the parties will go back to Court for a trial.

What Are the Benefits of the Settlement?

DACM, Inc. agrees to pay to the class the total sum of \$754,500 to resolve this Action in its entirety. Based on **DACM, Inc.**'s records, there are 3,235 members of the Class. Each Class Member has the opportunity to exclude him or herself ("opt-out") from this class action or object to the settlement as described below. The settlement funds will be distributed to class members by a check, and the amount to each Class Member will be a pro rata payment determined based on the amount of money the Class Member financed to purchase a motor vehicle from **DACM, Inc.** using a credit card that was arranged by **DACM, Inc.** In addition, an amount not to exceed \$510,000 will be requested by Class Counsel for attorneys' fees, costs and expenses, subject to approval of the Court.

You do not have to do anything to receive the benefits described above.

What are the Tax Consequences of the Settlement?

Any benefits you receive may or may not be the subject of state or federal taxation, depending on your circumstances. Counsel for the parties in this lawsuit are not tax attorneys and you are advised to seek separate legal advice on matters of taxation.

Do I Give Up Anything As A Result of the Settlement?

In exchange for the benefits described above, you give up the right to sue or be part of any other lawsuit against **DACM, Inc.** about the claims based on the facts alleged in this lawsuit. In addition, you will be bound by all orders of the Court and any judgment in this case.

The settlement agreement includes a "Release of Claims" pursuant to which you would be releasing any and all claims, liens, demands, actions, and causes of action of any nature that you have, had or may have against **DACM, Inc.**, its parent entities, and their respective past, present and future affiliates, officers, directors, shareholders, employees, agents, contractors, representatives, subsidiaries, related entities, vehicle manufacturers, predecessors and successors in interests, agents, employees, insurers, reinsurers, attorneys, owners, predecessors, successors and assigns, that were or reasonably could have been asserted in the Action based on the facts alleged in the Operative Complaint.

Can I Exclude Myself from the Class, and How Do I Do That?

You may exclude yourself from the Class ("opt out") by mailing the "Opt Out Form" attached to this Notice as Attachment A to the following address:

RG/2 Claims Administration LLC
P.O. Box 59479
Philadelphia, PA 19102-9479

Please sign and date the form, and include your full name, address, and signature. **To be valid, your request for exclusion must be postmarked no later than 60 days from the date of this notice.**

If you exclude yourself from the Class, you will not receive any further communications about this lawsuit. You will not be bound by any final judgment that is entered in this case. This means you will retain any right you currently possess to file your own case about any of the issues in this lawsuit and may hire a separate attorney to do so. You will not be eligible to object to the settlement, and you will not share in any monetary relief awarded to the Class.

If you wish to remain in the Class but disagree with the settlement, you may object. The process for doing that is described below. If you wish to remain in the Class and participate in the settlement, you do not need to do anything.

Can I Object to the Settlement, and How Do I Do That?

If you are a Class Member, you may object to the settlement if you disagree with any part of it. To object to the settlement, you may either attend the Final Approval hearing or send a written objection using the attached Notice of Objection form to RG/2 Claims Administration LLC, by First Class Mail at the following address:

RG/2 Claims Administration LLC
P.O. Box 59479
Philadelphia, PA 19102-9479

Your written objection must be postmarked no later than 60 days from the date of this notice. Be sure to include all of the following information in your written objection: (1) The name of the lawsuit, *Jose De Jesus Villa-Cardenas v. DACM, Inc. dba Del Amo Motorsports of Orange*, Orange County Superior Court, Case No. 30-2018-01023401-CU-BT-CXC; (2) Your full name, current address and telephone number; and (3) your signature and the date of your signature. If you object, you are not required to attend the Final Approval Hearing, but you may do so if you choose.

What Happens If I Do Nothing?

If you do nothing at all, and the settlement is approved by the Court, you will automatically receive your share of the settlement benefits. You will also be bound by the Release of Claims and final Judgment of the Court, described above.

Do I Have a Lawyer in this Lawsuit?

The Court has approved of the law firm of Kemnitzer, Barron & Krieg, LLP as counsel on behalf of the Class. These lawyers are referred to as Class Counsel. You do not have to pay Class Counsel anything for their services in connection with this case. Instead, under the Parties' settlement agreement, Class Counsel will request that it be paid in an amount not to exceed \$510,000 to compensate them for their attorney's fees and expenses. The exact amount that Class Counsel will be paid will be determined by the Court at the Final Approval Hearing described below. The payment of attorneys' fees and costs will not diminish your benefits under the settlement. If you wish to hire your own separate attorney, you have the right to do so at your own expense.

When Will the Court Decide Whether to Approve the Settlement?

The Court will hold a Final Approval Hearing to decide whether to approve of the proposed settlement. The Final Approval Hearing is currently scheduled on _____, 2025 at [time] (subject to change by the Court without further notice), at the Orange County Superior Court, 751 W. Santa Ana Blvd., Santa Ana, CA 92701, in Dept. CX104 the Hon. Melissa McCormick, Judge presiding. At this hearing, the Court will determine whether the proposed settlement is fair, reasonable and adequate. The Court will also decide the amount of attorneys' fees to be paid to Class Counsel, in an amount not to exceed \$510,000, and the amount of any service award to the Class Representative, not to exceed \$3,500. These amounts would be paid separately by **DACM, Inc.** and not from the fund to be paid to members of the Class.

This settlement will not take effect unless the Court approves it at the Final Approval Hearing. If the Court does not approve the settlement, Class Members will not receive the benefits described in this notice, and the rights of the parties will be determined at trial. It will be as if no settlement had been reached.

¿De qué trata esta demanda?

Esta demanda está relacionada con la venta de motocicletas del Demandado, **DACM, Inc.** mediante formularios de venta que, según el Demandante, no cumplen con la legislación de California en materia de protección al consumidor. El Demandante, José De Jesús Villa-Cárdenas, alegó que **DACM, Inc.** vendió motocicletas sin facilitar toda la información obligatoria en virtud de la Ley Rees-Levering sobre financiación de ventas de vehículos en California (Sección 2981 y siguientes del Código Civil, la "Ley Rees-Levering"), una ley reguladora de la venta de vehículos motorizados mediante contratos de venta condicional; que **DACM, Inc.** incumplió su obligación de facilitar a los compradores de motocicletas la documentación y la información financiera prevista en la Ley Rees-Levering; y que **DACM, Inc.** incurrió en prácticas comerciales engañosas y desleales ya que los consumidores no recibieron un único documento que incluyese todas las condiciones de venta. El Demandante presenta demandas en virtud de la Ley de Recursos Legales de los Consumidores de California, Sección 1750 y siguientes del Código Civil, y las secciones 17200 y siguientes del Código de Comercio y Profesiones. El Demandante, a título individual y en nombre de los miembros de la Demanda Colectiva, solicita la indemnización por daños y perjuicios y otras medidas compensatorias.

DACM, Inc. desmiente las acusaciones del Demandante y afirma haber facilitado toda la información exigida por la legislación, y que no ha hecho declaraciones falsas o engañosas. **DACM, Inc.** argumenta que la Ley Rees-Levering contempla este tipo de operaciones de tarjetas de crédito de terceros, y que **DACM, Inc.** ha cumplido en todo momento con los requisitos aplicables de la Ley Rees-Levering y la legislación de California en materia de protección al consumidor. **DACM, Inc.**

afirma también que sobre las reclamaciones del Demandante prevalece la Ley Federal, reguladora de dichas transacciones. **DACM, Inc.** desmiente las acusaciones del Demandante, desmiente el incumplimiento de la legislación vigente y que el Demandante y los miembros de la Demanda Colectiva hayan sido perjudicados o tengan derecho a indemnización alguna.

¿Quiénes son miembros de la Demanda Colectiva?

En una Demanda Colectiva, una o más personas (en este caso el Demandante, José De Jesús Villa-Cárdenas) interponen una demanda y solicitan una indemnización en nombre de una agrupación mucho más amplia de personas que podrían tener reclamaciones similares. En conjunto, todos ellos forman una Demanda Colectiva y se denominan Miembros de la Demanda Colectiva, y el Demandante (o los Demandantes, según el caso) representa a los miembros de la Demanda Colectiva. Un tribunal resolverá estas reclamaciones para todos los Miembros de la Demanda Colectiva. Una vez que se haya certificado dicha Demanda Colectiva, su Representante podrá pactar un acuerdo para resolver las reclamaciones de todos los miembros de la Demanda Colectiva, sujeto a la aprobación de dicho acuerdo por parte del Tribunal. Sin embargo, los miembros de la Demanda Colectiva podrán excluirse voluntariamente del acuerdo o presentar objeciones al mismo, si así lo desean. Los Miembros de la Demanda Colectiva que se excluyan del acuerdo no recibirán las indemnizaciones derivadas ni estarán obligados a cumplir lo dispuesto en él ni en la sentencia que se dicte en consecuencia. Independientemente de si un Miembro de la Demanda Colectiva presenta objeciones o no, todos los Miembros de la Demanda Colectiva participantes quedarán obligados a cumplir lo dispuesto en dicha resolución y en la consiguiente sentencia del Tribunal.

El Tribunal certificó preliminarmente esta demanda como una demanda colectiva para los fines de la resolución el día []. La certificación de la Demanda Colectiva implica que el Demandante podrá solicitar indemnización de **DACM, Inc.** en nombre de todos los miembros de la Demanda Colectiva, con autoridad para resolver todas las reclamaciones planteadas en la Demanda en nombre de todos los Miembros de la Demanda Colectiva. El Tribunal definió la Demanda Colectiva de la siguiente manera:

- (a) todos los compradores de California que adquirieron vehículos de **DACM, Inc.**;
- (b) para quienes **DACM, Inc.** haya gestionado o colaborado en la financiación de dicha compra recurriendo a un prestamista emisor de tarjetas de crédito;
- (c) y en los que **DACM, Inc.** haya designado a dicha emisora como “DERECHOHABIENTE O PROPIETARIO LEGAL” en solicitudes de registro de vehículos nuevos o como “NUEVO DERECHOHABIENTE” en solicitudes de traspaso del nuevo propietario que **DACM, Inc.** presentó al DMV de California;
- (d) entre el 3 de octubre de 2014 y el 31 de octubre de 2023.

Usted ha recibido este Aviso por ser miembro de esta Demanda Colectiva.

¿Por qué se ha llegado a un Acuerdo?

El Tribunal no se ha pronunciado sobre quién tiene razón o no en este litigio. No se ha celebrado ningún juicio. Ahora bien, las partes están dispuestas a llegar a un acuerdo para resolver el litigio. Esto evitará a las partes los gastos de un juicio, y los Miembros de la Demanda Colectiva podrán recibir una indemnización. El acuerdo es una solución conciliatoria y no constituye una admisión por parte de **DACM, Inc.** de ningún tipo de culpabilidad, irregularidad o responsabilidad. Para que los Miembros de la Demanda Colectiva cobren las indemnizaciones indicadas a continuación, es necesario que el Tribunal lo apruebe. En caso de que el Tribunal no apruebe el acuerdo, las partes volverán a comparecer ante el Tribunal para celebrar un juicio.

¿Qué se obtiene con el acuerdo?

DACM, Inc. se compromete a pagar a la Demanda Colectiva un total de USD 754.500 como resolución íntegra de esta Demanda. Según los registros de **DACM, Inc.**, hay 3.235 miembros de la Demanda Colectiva. Todos los miembros de la demanda colectiva podrán excluirse de la misma o presentar sus objeciones al acuerdo, como se indica a continuación. Los fondos del acuerdo se distribuirán entre los Miembros de la Demanda Colectiva por cheque, y el importe para cada uno de ellos será calculado a prorrata en función de cuánto dinero hayan financiado para adquirir vehículos de motor de la empresa **DACM, Inc.** con tarjetas de crédito gestionadas por **DACM, Inc.** Además, los Abogados de la Demanda Colectiva solicitarán un máximo de USD 510.000 en concepto de honorarios de abogados, costos y gastos, a reserva de la aprobación del Tribunal.

No es necesario que haga nada para recibir las indemnizaciones antes mencionadas.

¿Qué efectos fiscales tendrá el acuerdo?

Según sus circunstancias, las indemnizaciones que reciba pueden o no estar sujetas a impuestos estatales o federales. Los abogados de las partes de este litigio no son expertos fiscales, así que le recomendamos solicitar asesoría jurídica independiente sobre cuestiones fiscales.

¿Debo renunciar a algo en virtud del acuerdo?

A cambio de las indemnizaciones antes mencionadas, usted renunciará expresamente a demandar o a ser parte de cualquier otra demanda contra **DACM, Inc.** sobre las reclamaciones relacionadas con los hechos expuestos en esta demanda. Además, usted deberá cumplir todas las resoluciones del Tribunal y los fallos que se dicten en relación con este caso.

El acuerdo de conciliación incluye una "Exoneración de reclamaciones" según la cual usted exoneraría expresamente todas las reclamaciones, gravámenes, demandas, acciones y causales de acción de cualquier índole que tenga, haya tenido o pueda tener contra **DACM, Inc.**, a sus entidades matrices, y a sus respectivas filiales anteriores, actuales y futuras, funcionarios, directores, accionistas, empleados, agentes, contratistas, representantes, filiales, entidades relacionadas, fabricantes de vehículos, predecesores y sucesores de intereses, agentes, empleados, aseguradoras, reaseguradoras, abogados, propietarios, predecesores, sucesores y cesionarios, que hayan sido o que

razonablemente puedan haber sido hechos valer en la Demanda en base a los hechos alegados en la Demanda Operativa.

¿Puedo excluirme del acuerdo? De ser así, ¿cómo se solicita la exclusión?

Puede solicitar su exclusión de la Demanda Colectiva mediante el envío del “Formulario de Exclusión” adjunto a este Aviso en el Anexo A la dirección que figura a continuación:

RG/2 Claims Administration LLC

Sírvase firmar y anotar la fecha en el formulario, incluir su nombre completo, dirección y firma. **Para que su solicitud de exclusión sea válida, debe llevar matasellos postal a más tardar 60 días a partir de la fecha que figura en este aviso.**

Si se excluye de la Demanda Colectiva, no volverá a recibir comunicaciones sobre este litigio. No quedará sujeto a la sentencia definitiva que se dicte en este caso. Es decir, seguirá teniendo derecho a presentar su propia demanda sobre cualquiera de las cuestiones planteadas en este litigio y podrá contratar a otro abogado para hacerlo. No tendrá derecho a presentar objeciones al acuerdo y no recibirá ninguna indemnización que se conceda a la Demanda Colectiva.

Si prefiere seguir formando parte de la Demanda Colectiva, pero no está conforme con el acuerdo, puede presentar una objeción. Más adelante se explica cómo hacerlo. Si desea seguir formando parte de la Demanda Colectiva y acogerse al acuerdo, no tiene que hacer nada.

¿Puedo presentar objeciones al acuerdo? De ser así, ¿cómo se presentan las objeciones?

Si usted es un Miembro de la Demanda Colectiva, puede presentar objeciones al acuerdo si no está conforme con alguna de sus partes. Para presentar objeciones al acuerdo, puede concurrir a la audiencia de Aprobación Final o enviarlas por escrito utilizando el formulario adjunto de Aviso de Objeción a RG/2 Claims Administration LLC, por correo de primera clase a la dirección que figura a continuación:

de Orange; (2) Su nombre completo, dirección actual y número de teléfono; y (3) su firma y la fecha en que firmó.

Si presenta objeciones, no tiene obligación de comparecer en la audiencia de aprobación definitiva, pero puede hacerlo voluntariamente.

¿Qué sucede si no hago nada?

Si no hace nada en absoluto, y el Tribunal aprueba el acuerdo, recibirá automáticamente su parte correspondiente de las indemnizaciones resultantes del mismo. Asimismo, quedará obligado a cumplir la Exoneración de Reclamaciones y la Sentencia definitiva del Tribunal, que se describen en los apartados anteriores.

¿Tengo un abogado que me represente en esta demanda?

El Tribunal aprobó al bufete de abogados Kemnitzer, Barron & Krieg, LLP como abogados en nombre de la Demanda Colectiva. Estos abogados se denominan Abogados de la Demanda Colectiva. No es necesario que pague nada a los Abogados de la Demanda Colectiva por sus servicios en este caso. En lugar de ello, en virtud del acuerdo entre las Partes, los Abogados de la Demanda Colectiva solicitarán el pago de un monto que no supere los USD 510,000 en concepto de honorarios y gastos procesales. El importe concreto que se pagará a los Abogados de la Demanda Colectiva lo determinará el Tribunal en la Audiencia de Aprobación Definitiva que se detalla a continuación. El pago de los honorarios y gastos correspondientes a los abogados no supondrá una reducción de su indemnización en virtud del acuerdo. Si usted desea contratar a su propio abogado particular, tiene derecho a hacerlo asumiendo los gastos.

¿Cuándo decidirá el Tribunal sobre la aprobación del acuerdo?

El Tribunal celebrará una Audiencia de Aprobación Definitiva para pronunciarse sobre la aprobación del acuerdo propuesto. La audiencia de aprobación definitiva está prevista para el día _____ de 2025 a las [hora] (sujeto a cambios sin previo aviso por parte del Tribunal), en el Tribunal Superior del Condado de Orange, sito en 751 W. Santa Ana Blvd., Santa Ana, CA 92701, Dept. CX104, presidido por la Honorable Jueza Melissa McCormick. En dicha audiencia, el Tribunal determinará si el acuerdo propuesto es justo, razonable y adecuado. Asimismo, el tribunal se pronunciará sobre la cuantía a pagar en concepto de honorarios y gastos procesales a los Abogados de la Demanda Colectiva, por un monto que no supere los USD 510,000 y sobre el pago al Representante de la Demanda Colectiva, que no podrá superar los USD 3,500. Estos montos serán pagados por separado por **DACM, Inc.** y no con dinero del fondo destinado al pago a los miembros de la Demanda Colectiva.

Este acuerdo no entrará en vigor salvo que así lo apruebe el Tribunal en la Audiencia de Aprobación Definitiva. En caso de que el Tribunal no apruebe el acuerdo, los Miembros de la Demanda Colectiva no recibirán las indemnizaciones previstas en este aviso, y se determinarán los derechos de las partes en el juicio. Como si no se hubiese llegado a un acuerdo.
